Valencia orange	9
Chocolate milkshake	7

WINE

We focus on wines made from grapes grown using organic or biodynamic practices in the vineyard. If it's good for the earth, it gets our backing!

We buy from smaller, independent winemakers and wineries. Wines on our list are made with integrity and the utmost care.

We support the local wine industry. Aiming for low "food miles" means we offer a lot of beautiful Australian wine and limited international wine.
