We focus on a local selection of craft brewers. Showcasing some of the great things that are happening in craft beer and cider all over Australia.

ABOUT OUR WINE

All the wine we offer at Three Blue Ducks reflects our ethos...

1. We focus on wines made from grapes grown using organic or biodynamic practices in the vineyard. If it's good for the earth, it gets our backing!
2. The wines we sell are all high-quality wines – it just comes down to personal taste.
3. We buy from smaller, independent winemakers and wineries. Wines on our list are made with integrity and the utmost care.
4. We support the local Aussie wine industry. Aiming for low 'food miles' means we offer a lot of beautiful Australian wine and limited international wine.

We want wine to be approachable, but recognise that sometimes it isn't! So, we've grouped wines with their like-minded friends to help guide you, if you need it. But mainly we have really trained our team. Ask their advice – they would love to share what they know!
