

WELCOME TO 'THE DUCKS'

OUR STORY

The Ducks all started with some good mates travelling the world, cultivating ideas around a better, more sustainable approach to living. With a shared belief in good, ethical food - Three Blue Ducks was hatched.

At Three Blue Ducks, we're passionate about what we do and it shows in our product.

We try our hardest to gather our produce from ethical and sustainable sources, whether it be organic eggs, grass-fed beef or the beautiful sourdough from our neighbours at the Bread Social bakery.

The restaurant works very closely with The Farm community and ethical local growers and producers to deliver tasty, interesting dishes that reflect the goodness of the produce we source. Our menu is rotated seasonally to showcase the best in fresh, exciting ingredients and we like to think there's something available for everyone.

This is what we call 'real food' and we think you'll taste the difference.
