

HAMPERS

Byron Bay

Find a spot you like on the farm, spread out your rug and feast at your own leisure – with a Three Blue Ducks bag filled with house-made goods, and locally sourced cheeses, charcuterie, fruits and bread.

HOW MANY PEOPLE DO THE HAMPERS FEED?

Hampers are designed to feed between 2 to 4 guests, although can be modified for larger groups by adding extras.

HOW DO I ORDER AND COLLECT MY HAMPER?

See the menu on page 2, then click to complete the online order. Ensure you preorder form at least 24 hours before your nominated pick-up time. Hampers can be collected from the Three Blue Ducks Produce Store. Additional coffees, juices and pastries are available to be purchased from our Produce Store.

CAN I PUT IN A BULK ORDER FOR BAKED GOODS?

Absolutely! See the menu on page 3, then click to complete the online order. We require 48 hours notice to fulfill bakery orders and a minimum spend of \$30. Preordered baked goods can be collected from the Three Blue Ducks Produce Store.

WHERE CAN I ENJOY MY HAMPER?

You can picnic anywhere on The Farm, but the two main areas are the grassed section out the front of the restaurant and the nut orchard at the back of the farm. Remember to BYO picnic rug! Please bear in mind all areas outside the serviced restaurant are not licensed and outside areas are weather dependent.

WHAT ARE MY OTHER DINING OPTIONS?

As well as a la carte dining in the Three Blue Ducks restaurant, most Sundays we run a BBQ from 12pm with different options, which you can use to supplement the picnic.
