

WE LOVE LOCAL!

The best beverages, sourced locally.

The Ducks is all about enjoying food and drink with your mates and loved ones. At the heart of Three Blue Ducks are the people; the roasters, brewers, winemakers and distillers. Our aim is to share what real food and beverage mean to us, by showcasing the best quality local suppliers. We source ethically made, independently produced beverages to complement your dining experience. What we have gathered here is some of our local favourites from the Northern Rivers and its surrounds.

LOCAL PICKS

Common People Brewing 'Villagers' pale ale, Bangalow, NSW

Over the hill in charming Bangalow is the brewery of Common People, like-minded folk championing the local region! They work with nearby farmers to facilitate circular business practices, such as donating spent grain to feed livestock!

2022 Jilly Wine Co, Red Field Blend, Multi-Regional, NSW

Jared is a good dear friend of ours and should be of yours too! Jared makes his wines in a very wholesome way adding no nasty chemicals or modifications just letting the quality of the fruit shine through and do its thing.

Husk Distillers Ink Gin, Tumbulgum, NSW

Whilst you are in the Northern Rivers, try to visit these wonderful people. Creating Australia's first premium, farm-to-bottle agricole rum with a unique Australian expression. This delightful colour-play gin challenge people's perception of what gin can be!

Forrest hibiscus, elderflower & turmeric kombucha

Sue & Dave make this Kombucha just for us and it forms part of our packaging-saving tap system. Over at Forrest, they aim to not only enrich your health but, at the same time, give back to Mother Nature. Sign us up!

ABOUT OUR WINE

All the wine we offer at Three Blue Ducks reflects our ethos...

1. We focus on wines made from grapes grown using organic or biodynamic practices in the vineyard. If it's good for the earth, it gets our backing!
2. We buy from smaller, independent winemakers and wineries. Wines on our list are made with integrity and the utmost care.
3. We support the local Aussie wine industry. Aiming for low 'food miles' means we offer a lot of beautiful Australian wine and limited international wine.

We want wine to be approachable, but recognise that sometimes it isn't! So, we've grouped wines with their like-minded friends to help guide you, if you need it. But mainly we have really trained our team. Ask their advice – they would love to share what they know

WINE ON TAP

We are always looking at ways to reduce our impact on the environment. Wine on tap and wine in lower impact vessels is something we've seen a resurgence of in the last few years. And we are here for it!

By using a tap system we save thousands of bottles per month! Not only the bottles themselves but also saving the energy and resources that go into their production, transport and disposal.

As for the wine, ask the experts, it's better for the wine. By transporting the wine in bulk containers, then transferring it into our stainless steel kegs, the wine sees no oxygen until it hits your glass or our carafes.

We work directly with producers that put their hearts into what they do and that make wine specifically for our taps. No compromise on quality whatsoever! The proof is right here, so feel free to ask your server for a taste!
