

WE LOVE LOCAL!

The best beverages, sourced locally.

The Ducks is all about enjoying food and drink with your mates and loved ones. At the heart of Three Blue Ducks are the people; the roasters, brewers, winemakers and distillers. Our aim is to share what real food and beverage means to us, by showcasing the best quality local suppliers. We source ethically made, independently produced beverages to compliment your dining experience. What we have gathered here is some of our local favourites from Sydney and its surrounds.

LOCAL PICKS

Willie the Boatman 'Crazy Ivan' IPA 6%

Humble beginnings in 2014 two self-named "fat dads in a mid-life crisis" decided to start brewing beer. Fast forward eight years and we find Willie the Boatman, tucked behind an axe-throwing centre around the corner in St Peters.

2022 Jilly Wine Co. 'Box Project'

Jared is a pioneer of product and place and a very dear friend! His winemaking is extremely hands-off, allowing the full expression of the fruit to be the centre of every wine. His main focus is sustainability, his winery was designed to be completely off the grid. The box project is close to our hearts with Jared using recycled boxes to bring back box wine!

Archie Rose 'Signature Dry'

We couldn't get more local if we tried. We literally share a wall with this award-winning distillery. They make a range of different spirits from vodka, to whisky to this here their signature gin.

Mailer Mcquire kombucha

All natural, lightly sparkling fermented tea! Rosie hand brews and slowly ferments exceptional loose-leaf teas, producing a deliciously nuanced non-alcoholic alternative. Made locally with minimal intervention for maximum flavour!

ABOUT OUR WINE

All the wine we offer at Three Blue Ducks reflects our ethos...

1. We focus on wines made from grapes grown using organic or biodynamic practices in the vineyard. If it's good for the earth, it gets our backing!
2. We buy from smaller, independent winemakers and wineries. Wines on our list are made with integrity and the utmost care.
3. We support the local Aussie wine industry. Aiming for low 'food miles' means we offer a lot of beautiful Australian wine and limited international wine.

We want wine to be approachable, but recognise that sometimes it isn't! So, we've grouped wines with their like-minded friends to help guide you, if you need it. But mainly we have really trained our team. Ask their advice – they would love to share what they know

WINE ON TAP

We are always looking at ways to reduce our impact on the environment. Wine on tap and wine in lower impact vessels is something we've seen a resurgence of in the last few years. And we are here for it!

By using a tap system we save thousands of bottles per month! Not only the bottles themselves but also saving the energy and resources that go into their production, transport and disposal.

As for the wine, ask the experts, it's better for the wine. By transporting the wine in bulk containers, then transferring it into our stainless steel kegs, the wine sees no oxygen until it hits your glass or our carafes.

We work directly with producers that put their hearts into what they do and that make wine specifically for our taps. No compromise on quality whatsoever! The proof is right here, so feel free to ask your server for a taste!
