

EOFY PACKAGES

For every guest who attends your function, The Ducks will plant an Australian Native Tree.

We have teamed up with Carbon Positive Australia, an epic not-for-profit organisation that aids communities and individuals to take climate action by supporting tree planting and ecosystem restoration.

This initiative works to protect Australia's Biodiversity Hotspots in WA, NSW & QLD through land restoration projects that support our wildlife and ecosystems.

Tree planting holds immense potential for combatting climate change and regenerating the land. By supporting and championing tree-planting initiatives, with your help, we seek to amplify the positive impact of these activities.
