FAQ

CAN WE CUSTOMISE ANYTHING - FLORALS, CEREMONY, STYLING, OR MENU?

Yes, we are here to make your day feel like YOU! Your florals, ceremony and styling is all up to you and we are here to make your vision come to life! The menu has offerings of additional upgrades to ensure nothing is missed!

CAN WE BOOK OTHER VENDORS?

The Elope Edit are your four main vendors along with Three Blue Ducks covering your venue, food and beverages. You are more than welcome to book in other suppliers to enhance your day like videographer, wedding cake, stylist, draping, just to name a few!

HOW EARLY CAN OUR GUESTS ARRIVE?

We ask that all guests arrive at the allocated arrival time.

Archie Rose is a gin distillery located right next door to the restaurant (about a 30 second walk) and is a great place for guests to grab a drink before coming over to the Rosella Room for the reception. If guests arrive extremely early for the reception, we usually recommend they head over to Archie to get a drink as we are not ready for them. However, if you are telling all your guests to go there first then please make sure to contact Archie Rose to ensure they are not closed for a private function and to give them a heads up that they may see lots of guests around a certain time.

Please note they are open from 2pm. If arriving earlier than 2pm Black Star pastry is also a great option.

IS THE VENUE ACCESSIBLE?

The Rosella Room where the ceremony and reception are held is stair access only.
